

WEDDING RECEPTIONS

The Petwood Hotel, with its two elegant ballrooms, gracious lounges and magnificent gardens provides the perfect setting for your Wedding Reception.

The hotel is licensed to enable you to be married in a civil ceremony conducted by our local registrar. There are several rooms suitable for such a ceremony dependant upon the size of your party.

The hotel is able to cater for receptions of all sizes, from intimate parties of around ten guests to grand banquets of over two hundred people.

We purposely do not offer a 'wedding package' as we believe that each Wedding is as individual as the people involved.

For the formal Wedding Breakfast, we make no hire charge for the room. In this pack you will find an extensive range of suggested menus, and the price of the chosen menu multiplied by the number of guests forms the main charge for the day. If you plan to provide a finger buffet for your guests, some suggestions can also be found in the menu section. The other elements of the bill are the drinks you provide for your guests and any evening party you may consider.

The following items are provided at no extra charge

Assistance with your seating arrangements, and if required, the typing of your seating plan.

A floral tribute on each table, although floral arrangements of a specific type would carry a small charge.

A master of ceremonies, who would ensure that all the correct announcements and formalities are observed.

A wedding cake stand and knife.

Complimentary overnight accommodation for the Bride and Groom in one of our double rooms.

Discounted rates for friends and relatives who wish to stay at the Hotel.

Please note that accommodation is subject to availability.
